**A Night of Victory & Unity:
Guam Republicans Celebrate Historic Wins at the 2025 Lincoln Day Dinner**

(Tamuning, Guam) - The Republican Party of Guam hosted its 2025 Lincoln Day Dinner at the Dusit Thani Guam Resort’s Grand Ballroom, bringing together hundreds of dedicated Party members from our village organizations across the island. As the signature fundraising event of the Party, the evening was a celebration of hard-fought victories in the 2024 General Election to include a Republican majority in the Guam Legislature and the re-election of Congressman James Moylan.

“The people of Guam voted for change,” said Chairman Shawn Gumataotao. ***“Our village organizations are the backbone of this party. Their work isn’t easy. It’s standing up and fighting for our values, showing up when it counts, and refusing to back down.”***

Traditionally, our Lincoln Day Dinner has been a business-focused event, with sponsors helping to support our members’ attendance. This year, eight of our elected Republican Senators and Guam Congressman James Moylan personally sponsored tables for our District Leaders and their respective village organizations.

“The energy in the room was undeniable—Our movement is growing,” said Chairman Gumataotao. ***“If you believe in fighting for a stronger Guam, now is the time to get involved. Reach out, join the effort, and help shape the future of our island.”***
